Think of a compelling feature for your cover story. This will be what draws your audience in. Make sure that you have accompanying visual content that immediately catches the eye. Include photos, illustrations, and other graphics to match. Appeal to your audience, choose the right fonts and images, and you'll have a magazine that people will remember for years to come.

03 The basic

Writing all your articles and adding them to your layout, list down all the titles to set up your table of contents. You can add a brief description for each article or keep it simple and paste the feature titles on the page. Don't forget your page numbers too!
